

Reference list:

We are providing transport and logistics support to customers at all exhibitions at Belgrade fairground ( Building fair, Technical fair, Furniture fair etc.), conferences ( ESGO 2009, 6 th LPG Conference and Exhibition). Of course the same we do for Serbian exhibitors at exhibitions worldwide ( CeBIT-Hannover, Fruit logistics-Berlin, Automechanika-Shanghai, Automechanika-St Petersburg, Automechanika-Roma, Automechanika-Frankfurt, Automechanika-Istanbul, EquipAuto-Paris, SIAL-Paris, MAPIC/MIPIIM-Cannes, IWA-Nunberg, Real Vienna-Vienna, MOW-Bad Salzuflen, Salon Satellite-Milan etc.

Part of our portfolio, projects that may be interesting for you ( from World Expo in Shanghai up to Eurovision Song Contest 2008)

**May 2010, World Expo Shanghai 2010: DB Schenker appointed as co-forwarder for the participation of Serbia**

**March 2010, Delivery of equipment to Belgrade Arena venue for DAVIS cup Serbia vs USA**

**October 2009, Central Ensemble of Traditional Chinese national songs and dances in Sava Center: Beijing-Prague-Budapest-Belgrade-Beijing**

Complete one stop transport and logistics service from DB Schenker. Transport and logistics aspect of this project was realized by DB Schenker through specialized DB SCHENKER*fairs* network. Teams in the Czech Republic, Hungary and Serbia, united under the leadership team in China enabled the rapid and unimpeded transport of equipment.

**August 2009, Transport of exhibits: Housing in Vienna - Innovative. Social. Ecological**

The exhibits sent from Vienna arrived in Belgrade to show Housing in Vienna- Innovative. Social. Ecology. at Museum of Applied Arts. After Belgrade exhibition was dispatched to Istanbul. All activities were under the watchful eye of DB Schenker offices in Vienna, Belgrade and Istanbul.

**July 2009, New basketball hoops for BC Red Star Belgrade-Action in the heart of Kalemegdan fortress in Belgrade**

With the appropriate preparations unloading was done from 23:00 till 01:00. Forklift operations in conditions of reduced visibility, transport in the pedestrian zone of Kalemegdan, extra secured due to the fact that musical event was at the same time, tricky slope of the ground access; that was our challenge that night, challenge that do not allow mistakes. Of course, for the observers this was just one simple unloading of trucks. So easy and simple as hammering of top basketball players.

## Jun 2009, Logistics know-how for the participants of Universiade Belgrade 2009

First deliveries in University Village 24.06.2009. Schenker made shipment delivery for Canadian and Australian delegation, first foreign delegations arrived in Belgrade. Different deliveries were made to various UB2009 venues those days.

A mixed team of experts with decades of experience from DB SCHENKER*sportsevents* world network and DB Schenker Serbia will contribute to ensuring that sports delegations and suppliers will enjoy optimal conditions at the Universiade Games.

This encompasses an extensive range of freight forwarding services: from the planning of air and sea freight capacity across customs clearance and services at the venues all tailored to fit the sporting event.

## August 2008, One World, One Dream - Outstanding service for the 2008 Olympics Beijing

DB Schenker was the "Exclusive Supplier for Freight Forwarding and Customs Clearance" for the Olympics in Beijing and in six other Chinese cities.

Transport of technical equipment for the media through to the furnishing for the accommodation of the national teams."One World, One Dream" - under this motto athletes from all over the world will soon compete in 28 sporting disciplines at the XXIX. Summer Olympic Games in China. DB Schenker will ensure that sporting excellence is possible by providing professional services behind the scenes.

DB SCHENKER*sportsevents* Serbia transported equipment of RTS-Serbian broadcasting agency and RTCG-Montenegrin broadcasting agency

## April 2008, Eurovision Song Contest 2008- Schenker d.o.o. provided support to this unique spectacle

The Serbian Broadcasting Corporation, the host and organizer of the 2008 Eurovision Song Contest, has partnered up with one of the worlds leading providers of integrated logistics services, Schenker d.o.o. in order to make all of the administrative procedures required by all of the delegations and our foreign partners as expedient as possible.

"Partnering up with Schenker d.o.o, national organization in Serbia, ensured a convenient procedure for all of the 43 delegations and various foreign partners because a branch of Schenker is located in 150 countries around the world " stated Sandra Susa, Executive Producer ESC 2008 in her Recommendation letter. Schenker offered comprehensive logistics solutions and global supply chain management from a single source in order to ensure that all of the local laws are being followed.
